

## ENGRAVED BRICKS FUNDRAISER

The Friends of the Long Lake Library (FLLL) are sponsoring a new fundraiser!

We will be installing a walkway on the Library's grounds that will include custom engraved bricks that you can buy to honor or memorialize someone or an event. Each brick will have up to 3 lines, 20 spaces each in Book Antiqua font. The first phase of this walkway plan will include 150 customized bricks. We are hoping to construct the path in the Fall of 2008.

To participate, please complete the information below and send your tax deductible contribution of \$100 to the FLLL, PO Box 181, Long Lake NY 12847.

Your purchase of a brick will not only provide financial support to continue the wonderful programs and services provided by our Library, but it will also be a lifetime reminder of your support of the Library.

Here are some examples to consider:

In Honor of: John Doe Town of Long Lake	Congratulations John and Jane Doe June 21, 2008	Congratulations Jane Doe Class of 2008
