Newspapers

MESSAGE FROM THE LIBRARY MANAGER

As we look to a new year, we must reflect on the prior in all that we (collectively) have accomplished. We were fortunate enough to receive a grant, from the Pearsall Foundation. This grant will be used to fund the purchase of a book for each student, Prek-12, in the Long Lake School District. This has been a wonderful opportunity to collaborate with teachers and students at Long Lake Central School, and we hope we can continue this collaboration in future years. This is just one way to showcase our commitment to create long-lasting partnerships with meaningful programs and services to the community.

In this newsletter you will find programs, events, and services that are provided within the Library or online. Above all, all of this would not be possible without the commitment of the Board to create financial sustainability; the dedicated staff that, always, go above and beyond to create a welcoming atmosphere for all who enter our doors; and the love of the community for the library. We thank you for your continued support and engagement.
