COMMITTEE REPORTS:

FINANCE:

Crystal reported that use of Overdrive and Libby has increased by 30% during the COVID pandemic. The library will send SALS an additional \$200 to support ebooks.

BUILDINGS & GROUNDS:

Tom said that the Bilco doors will be installed this spring. He also will install the 2 outdoor lights to shine on the sign in front of the building.

Crystal discussed the Construction Grants.

The grant for shelving, computer desks and lighting has a hard deadline of June 30, 2020. She will ask for an amendment to delete the lighting as the cost of the shelving and computer desks is more than the grant. If the amendment is not approved, the library will have to do the lighting portion quickly. Tom said that he is able to do the lighting for a lot less than what was budgeted in the grant proposal. He will donate his labor.

Crystal will discuss the grant for the siding, doors and windows with the architect. She also will discuss the project with the Masons and Eastern Stars. The upstairs windows were boarded over in the 1950 – 1960 era. The schedule will be to go out to bid on May 10, 2020, have a pre bid meeting on June 1, 2020 at 11:00 am, open the bids on June 15, 2020 and recommend a contractor on June 16, 2020.
